CHURCH PLANTING MISSIONARIES TO THE PEOPLE OF GREECE

## Finding Milo

We got a dog not long after we arrived in Greece. Milo quickly became a member of our clan. A stray dog wandered into our yard and he chased him off... and kept going. After 5 days of searching, we got a call that he was found 10Km away! We were as glad to see him as he us! We never gave up hope that God would bring him back to us. We're reminded of the prodigal son who chased after the world only to find it wasn't what it seemed to be. A very teachable moment for our children! We also ended up with 2 more puppies during our search!

## Solid Ground!!!

God answered one of our biggest prayer requests through the faithfulness of His people. With the rainy season quickly descending, we needed concrete around the church building, sidewalks, and a pad in the parking area. God worked in hearts and a few US churches provided funds to help us complete the work. Our people are thrilled to see God at work in their lives!

## PAST, PRESENT, FUTURE

We had a great September focused on Missions at ZBBC. We exceeded our Faith Promise goal and were able to add two new missionaries to our Missions Family! One highlight of the month was a visit from Pastor John LeProhon of Seattle who taught a Leadership seminar for our people.

Our children got off to a great start in Greek Public School during September. They've all made friends and are slowly picking up the language as they keep up with their studies. Georgi & Micah have been faithful to invite kids to Kids Club and John's teacher has told us she is surprised at how well he is doing. We thank God for this HUGE answer to prayer!

October finds us busy preparing for wet, cooler weather at home, church & the camp. Concrete work & gutters

have been completed. We're better able to now focus on outreach ministries and building personal relationships with the many new people we've met.

Pray for Astrid, a Gypsy man whose wife & kids regularly attend church. He was arrested for drug dealing and sentenced to 10 years in prison. He has heard the gospel and we pray that he will now accept Christ and be used for His glory in the Greek prisons.

Please pray for our Kids Club! We've had new kids for 2 weeks and we're praying this ministry will open doors to not only reach kids but their parents as well.
