CHURCH PLANTING MISSIONARIES TO THE PEOPLE OF GREECE

Summer Camp

Probably many of us have great memories from Summer Bible Camps. Our kids love camp and it's always a highlight of their Summer. Not just for time spent with friends but more importantly, for the decisions that are made that will guide them in their Christian walk today and into the future. Camp would not be possible if were not for the adults who commit to serving these young people in a camp setting. We truly believe, "Camp changes lives!"

✘ Off to Greece! ✘

Thanks to the generosity of very dear friends, we're able to go to Greece for the first time as a family. We leave July 3rd for Athens and then head to Zakynthos for Bible Camp which runs July 8-15th. We're excited to see what God has planned for camp & us!

KOUKLA BIBLE CAMP 2012

Every July for the past eight years on the Greek island of Zakynthos, a special camp takes place. Started by Missionary Takis Korianitis, Koukla Camp is a ministry of Zakynthos Baptist Church. Relying on God's provision for the resources, the church works all year to be able to provide a free week of camp to children 4-15. Volunteer counselors (such as us) come from

the Greek mainland, USA, and Italy with the hope of seeing Greek kids saved and commit their lives to Christ. The impact camp has on the kids is mirrored by the impact it has on their parents and the islanders who are taking notice of Bible-believing Baptists committed to Christ. Please pray for children to be saved, safety, and even greater opportunities.
