CHURCH PLANTING MISSIONARIES TO THE PEOPLE OF GREECE

"A Humble Request"

As we look forward to leaving in May 2014, we have begun the process of planning our passage and establishing our home in Greece. We have diligently saved for expenses but could still use help in meeting the cost of moving 6 people to another continent. Would you please pray about helping us raise the funds necessary for bedroom furniture, appliances, vehicles, airfare, and shipping container expenses? We appreciate each and every one of you who faithfully pray and support missionaries, such as us, through your local church. The task of reaching the world is a costly one but when we consider the value God places on even one soul, how can we not spare any expense?

ALMOST HOME!

It's hard to believe that we've been on deputation for 2 years come January! God has blessed us beyond measure as we have more than 80% of our support promised! In this time we've traveled about 80K miles in 17 states and Canada. We've seen people saved, decisions for serving, and God at work in dozens of faithful churches. We're ready to finish strong & "get home" to Greece!

THE POWER OF A PRAYER CARD

A 4"x6" card with a picture or two and some info. Not much to it really, or so some might think. We can attest to just how powerful a prayer card can be. In 2011 at the start of deputation, we were part of a conference in Colonial Hts., VA. A young lady who attended the church was unable to attend the conference because of family reasons but got our prayer card the next week and began praying for us. She later moved back to her hometown in Western PA and once again missed us at her church, this time due to a broken tailbone! Still, she prayed for us and began saving whatever she could to be a blessing to us. This October, Holly saw that we were at a church not far from her and drove an hour to meet

us at the conference, another saint filling her tank for her to make the trip. Holly joyfully introduced herself and shared her story of faithfully praying and saying that she might be a blessing to us. By the time Joanna and I fully realized the selfless sacrifice and faithfulness Holly had blessed us with, we shed sweet tears of praise to God for blessing us with a sister like Holly. May we never underestimate the power of requesting, "Brethren, pray for us." (1Thes.5:25)
